

Tengyuan (Will) Li

ENTRY LEVEL FRONT END DEVELOPER

Profile

My name is Tengyuan(Will) Li. I recently finished my Web Developer program in Southern Alberta Institute of Technology. I learned these frameworks Vue, Nuxt in school, and I also learned React by myself on Free Code Camp. My favourite CSS Framework is TailwindCSS. Looking forward to learning more CSS Frameworks.

Past Projects

Tic Tac Toe Game , Final project of SAIT Web Developer Program

- A web app build with Vue.js including 3 pages.
- The content in the pages managed by using Storyblok CMS.
- Styling with Tailwind CSS.
- Allow multi-player.
- When winning, game stops, and instruction changes.
